Gentlemen:

We recently attended our annual 19th Combat Engineer Battalion Vietnam reunion at the Baymont Inn and the Shrine Club.

Betsy Thompson of the Baymont Inn, Kevin Cordley of the Shrine Club and Rick Sallee of the Missouri Veterans Cemetery Fort Leonard Wood have made our annual reunion a great success. They have shown a positive light on the Waynesville-St. Roberts area. They have gone above and beyond our expectations, and they have become part of our family.

They deserve special recognition for the hospitality they have afforded us.

Reunion Committee
